

The company was founded in the '70s by Mr. Giovanni Puddu, it is located in Orbuddai a few kilometers from Oliena. The company covers 50 hectares of which 30 are cultivated with vineyards. Dominati is the red Cannonau, the "king of Sardinia", a very likely native grape variety, present on the island more than 3000 years ago and for this reason considered the oldest in the Mediterranean. Widespread throughout the region, it has found its natural habitat in the Oliena area. The processing takes place manually both in the vineyard and in the cellar.

The name of this wine derives from a herb similar to opium with hallucinogenic effects called NEPENTE among the ancient Greeks

The company also has 15 hectares of olive groves of the Nera di Oliena and Bosana varieties, from which the company obtains 1st quality extra virgin olive oils.

The company is BIO certified and the products also have the DOC / IGP.
